

The **Certificate in Investment Operations** is a global practitioner-led programme for administration and operations staff working in both wholesale and retail firms. It equips individuals with an overview of the financial services industry and its regulation as well as providing a detailed picture of their particular industry sector. It incorporates a range of exams that present different technical activities within the industry and is taken by over 10,000 candidates a year.

Completing the IOC demonstrates professionalism and commitment to high standards and offers progression to high-level qualifications and career progress.

This certificate qualification is locally accredited by the Malta Qualifications Council (MQC) at EQF Level 4.

How is it assessed?

Each IOC unit comprises a one-hour, 50 MCQ exam (with the exception of Risk in Financial Services which is a two-hour, 100 MCQ exam). Candidates may be required to answer up to 10% additional trial questions that will not be separately identified and do not contribute to the result. Candidates will be given proportionately more time to complete the test. The IOC is awarded on the basis of passes in three units. The pass mark for each unit is 70%. Exams can be taken remotely or delivered by computer based testing at Computer Domain in Mosta.

Recommended Study Time

The CISI recommends a minimum of 80-100 hours studying per unit.

Regulatory Unit

In replacement to the Unit offered by the CISI which is mainly based on UK Financial Regulation (students may opt to undertake the Maltese Financial Regulation (MFR), offered and awarded by ifs Malta.

Unit Selection

Unit selection depends on individual circumstances but generally candidates are either:

- in an overseeing role working for a firm which is authorised and regulated by the MFSA. These candidates are encouraged to undertake:
 - International Introduction to Securities & Investment
 - UK Financial Regulation (or the Maltese Financial Regulation)
 - A technical unit relevant to the role

IOC Unit Selection

It is suggested that students register for one module at a time
